We are pleased to inform that VIOLA CALZIFICIO SPA has received the grade "Good", which is the highest rating on the ICA Quality System Audit scale. We would like to thank you for good cooperation and transparency concerning your quality work throughout the audit process.

At the audit an overall assessment of the quality management work was made with emphasis on the following areas: i) quality management system, ii) environmental management system, iii) specifications, risk assessment, traceability and recalls, iv) premises, equipment and flows, v) incoming goods and materials, vi) product quality checking and vii) packing, storage and delivery. The result in the different categories where weighted together to a final ranking.
